Dear editor:

I submit a manuscript entitled "Analysis of Vascular Injury in Lumbar Spine Surgery" to Pak J Med Sci for publication.

To our knowledge, few papers have been published in English literatures to perform an evaluation of the vascular injury in lumbar spine surgery. The manuscript has not been published in whole or in part or submitted elsewhere for review.

The manuscript has been read and approved by the author, the requirements of your journal have been fully met and I believe the manuscript contains honest work.

Thank you very much for your consideration.

Best regards

Yidong LIU
