Liaquat National Hospital & Medical College
Karachi

Subject: **Ethical Review Committee Approval**

Project Title: **"ENDOSCOPIC N-BUTY 1-2 CYANOACTYLATE INJECTION FOR THE TREATMENT OF GASTRIC VARICES IN CHILDREN, A TERTIARY CARE EXPERIENCE".**

Dear Dr. Lubna,

We have received your application referred to above via the Research Committee of LNH & LNMC to ethical review.

The Ethical Review Committee in its meeting held on April 26, 2017 has reviewed your application. The Ethical Review Committee is pleased to inform you that your request has been accepted. You can proceed with the above study for a period of one year from the date of this letter after approval from the concerned administrative department regarding financial and legal aspects. You are requested to maintain confidentiality of the patients and sample should properly discard after the completion of this study.

Please let us know in advance if any change has been made in protocol provided to us.

Regards,

Dr. Mohammad Arshad
Chairman
Ethical Review Committee

C.C to Dr. Salman Faridi, Medical Director
Prof. Amir Ali Shoro, Principal LNMC
Dr. Aziz Abdullah, Chairman Research Committee
